Childcare Assistance application form

MINISTRY OF SOCIAL DEVELOPMENT
TE MANATŪ WHAKAHIATO ORA

Use this application to apply for:

- **Childcare Subsidy** – Payments that help families with the cost of pre-school childcare. This can also include a home-based educator top-up fee.
- **OSCAR Subsidy** – Payments for children who are at school and are under 14 years (or under 18 if you get a Child Disability Allowance for them).

If you need more information go to **workandincome.govt.nz/childcare** or call us on **0800 559 009.**

We suggest you read these instructions before you fill in the application, so you get a feel for what's needed.

Support we can give parents and caregivers

Work and Income may be able to help with assistance towards childcare costs if:

- you're the main caregiver of the child, and
- your family is on a low or middle income, and
- you're a New Zealand citizen or permanent resident, and
- your child has at least three hours of care a week.

The childcare assistance available to you will depend on your individual situation and the type of childcare your child is enrolled in.

If you have pre-school children aged 3 and over, they may be able to get up to 20 hours a week of early childhood education (20 Hours ECE) funded by the Government. It will depend on the type of childcare service your child attends and whether they offer 20 Hours ECE.

If you're getting charged a top-up fee from a home-based educator as part of your 20 Hours ECE, we may be able to cover all or some of this cost.

Apply now - before your child starts the programme.

So you can get a subsidy from the day your child starts the programme, you need to apply **before** your child's first day. This is especially important for school holidays.

Definition of a relationship for benefit purposes

Whether people are single or a couple affects eligibility for certain income assistance and the rate at which we can pay that assistance.

When we decide your entitlement to income assistance, we'll consider you to be in a relationship if you're married, in a civil union, or in a de facto relationship, and have a degree of companionship.

By degree of companionship, we mean two people:

- are committed to each other emotionally for the foreseeable future, *and*
- are financially interdependent.

To give you a better idea of what we mean by this, think about whether your relationship includes some of the things below:

- you live together at the same address most of the time
- you share responsibilities, for example bringing up children (if any)
- you socialise and holiday together
- you share money, bank accounts or credit cards
- you share household bills
- you have a sexual relationship
- people think of you as a couple
- you give each other emotional support and companionship.
